GUNSHOW

Our GUNSHOW was a great success. We had 200 tables and a great jeep and machine gun display, which we hope will be back next year. Thanks to all the members who helped set-up and man the tables.

IPSC Update

There were 20 shooters at the March IPSC match. We are gaining new members all the time. Anyone interested in giving this a try give me a call at 838-9655 for more info. Our next match will be on April 14th, Sunday at 11am at the indoor range.

RENEWALS

Due to increased cost in insurance, range maintenance and the new building we will be building in the very near future we have decided to **raise the dues to \$50 effective on May 1st**. If you renew before that date the dues are still \$40. This equates to \$4.17 per month for access to the ranges, which is not a lot for what you get in return. New cards will be sent in May. This is the FINAL notice you will receive. If you do not renew you will be dropped from the mailing list.

WORK DAY

There will be a workday on May 4th to clean the outdoor range and replace all the target stands at the outdoor range.

ANNUAL MEETING

Our annual meeting and election of officers was held at the April 4th meeting. At the beginning of the meeting we gave all the junior achievement awards for the year. We also selected Kay Schilla and Marlin Newman as co-members of the year for their excellent work with the junior program.

There was a presentation of the Lite-Form building company about our new building. We will be putting in a new gate on the upper range as soon as the ground thaws. The only change in the board this year was Dean Verstraete stepped down and Dan Roberts was elected to serve for one year. After the meeting we will adjourn to the pizza place for pizza on the club.
