Junior Match

There will be a junior match on Feb 21-22 at the old indoor range.

Range Closed

The indoor range will be closed to open shooting on Feb 20th due to the junior match on the 21-2.

Indoor Range Open

The old indoor range is now open on Monday and Friday evenings at 7pm for open shooting. It will open on Tuesday evenings for light rifle on January 6th at 7:30pm.

GUNSHOW

The gunshow will be on March 27 and 28. A flier will be in the next newsletter.

NRA Grant

We received a grant from the NRA for audiovisual equipment for the new range and junior equipment. The grant money comes directly from the Friends of the NRA banquet that was in Minot last November. The more we participate in this banquet helps us receive these monies.

Donation

First Western Bank gave us a desk, credenza and countertop for the new range.

Outdoor Range Road Blocked

The road to the outdoor range has been blocked by all the snow and wind. If anyone has access to some snow removal equipment and can clear the road please let someone on the board know. We cannot afford to have it done this year. This is the first time it has ever been blocked and hopefully will not be blocked in the future. We will be looking at getting a snow blower attachment for the tractor for next season.

Meeting

Our next meeting will be on March 4th at 7pm at the NEW indoor range.
