### SEPTEMBER NEWSLETTER

#### SEMI-ANNUAL MEETING

On Oct 3rd will be the semi-annual meeting and we will be talking about the status of the new building and setting the schedule for the winter indoor season. The meeting will be held at the indoor range at 7PM.

#### IPSC

There were 16 shooters at the September match. There is a new club now in Bottineau and they held their first match this month. Eight of our members went to the match to support their efforts. Anyone interested in giving action shooting a try give me a call at 838-9655 for more info. Our next match will be on Oct 20th.

#### NEW BUILDING

We are in the final stages of the grant process and hopefully there will be good news at the meeting next week.

#### CCW Testing

Anyone interested in getting their concealed weapons permit should contact Dan Roberts at 852-6704. He is a qualified tester . He will be doing testing after each monthly meeting for those interested. If you get this permit you don't have to wait to purchase a firearm from a dealer as well as other benefits.

#### NRA Instructors

We now have about a dozen NRA instructors in pistol, rifle and home firearms safety. Classes in these areas are now being scheduled for November-December time frame. A schedule will be in the October newsletter.

#### FRIENDS OF THE NRA BANQUET

A banquet will be held on October 22 at the Holiday Inn. 5:30 Social 7:00 Dinner. There will be auctions and drawings during the course of the evening. Half of the proceeds will be returned to the state to benefit shooting programs, junior programs and safety programs. This is a worthwhile event and we should show our support with attendance. Jesse McMurtry 839-4499 is the contact point for more information. Or you can get your tickets directly at 857-0504. The NRA is our first and only line of defense from those that wish to take our firearms away let's make an effort to support the cause by attending this function.

Junior Program

The junior program will begin on the first Saturday in November. They will be meeting at the indoor range at 9am every Saturday thereafter. The fee for this program is \$10.00 signup and .50 per box of ammo to cover expenses. For more info on this program contact Kay Schilla at 838-9284.

#### Growth Committee

A new committee was formed to help the club grow in the future. Members are Bob Matthews, Dan & LuAnn Roberts, Marlin Newman and George McLaughlin. More on this later.
